DETAILED ACTION

Allowable Subject Matter

1. Claims 1-27 and 31 are allowed.
2. The following is an examiner's statement of reasons for allowance: the prior art searched and cited failed to teach or fairly suggest an arrangement for generating intensive radiation based on a plasma, having a target generator with a nozzle; a vacuum chamber; wherein the said nozzle of the target generator being a multiple-channel nozzle with a plurality of separate orifices, the orifices generating a plurality of target jets, the excitation radiation for generating plasma being directed simultaneously portion by portion to the target jets within a spot of radiations the said separate orifices of the nozzle being arranged in such a way that the target jets fill the radiation spot of the excitation radiation without gaps and without overlapping wherein the orifices are arranged offset although the target jets appear closed to one another in the radiation spot in combination with the remaining elements of claim 1. Claims 2-27 and 31 are allowable because of their dependencies upon claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
